

# JOB OFFER

## To cope with the growth of our business, we are looking for: **CONSULTANT IN OPERATIONAL EXCELLENCE AND CHANGE MANAGEMENT (M/F)**

### Your mission

Integrated in a team at the client, you will be in charge of:

- Analysing key work processes and proposing solutions to simplify and improve;
- Implementing proposed solutions and managing change attitudes;
- Assisting and coaching our clients in improving their performance;
- Facilitating the implementation of corporate strategy;
- Becoming the privileged partner of both senior and operational management.

### Your profile

We are mainly looking for young graduates (master's degree) from business schools, engineering or universities with less than 2 years of experience:

- Motivated and flexible, you have demonstrated the ability to adapt and to work autonomously;
- Rigor, integrity, creativity, motivation, team spirit are essential assets to succeed;
- You have very good verbal and written communication skills, combined with a very good sense of formalisation;
- You are native in French, and fluent in English. Knowledge of Dutch or German is an asset;
- You are willing to travel abroad frequently (our workplace is at customer).

### We offer

- A very diverse and rewarding experience;
- A support (coaching) by experienced managers;
- Real career opportunities in the company;
- An attractive salary package, rapidly changing according to your personal success.

At **Resultance**, consultants build expertise quickly  
and become recognised by top managers.

**Resultance** is a specialist in operational process optimisation and change management advice. Our company based in Luxembourg is internationally recognised for:

- A result-oriented culture;
- A pragmatic approach;
- The strong engagement of its consultants;
- The development of privileged relationships with its clients (as well Large Accounts as SME's).

We are active in many different sectors: bank-and insurance, services industries, process industries (steel, chemical, and glass), production, automotive, medical high-tech, retail, airlines, etc.

For 15 years our 70 consultants have developed diverse functional expertise: Operational Excellence and agility, Supply Chain optimisation, Business Process Management, Operational Efficiency, Organisational Redesign, Lean Manufacturing and Office, etc.

Our pragmatic approach is creating opportunities for your professional growth in Luxembourg, Belgium and abroad.
