

JOB OFFER

To cope with the growth of our business, we are looking for: **SENIOR CONSULTANT IN OPERATIONAL EXCELLENCE AND DIGITAL TRANSFORMATION (M/F)**

Your mission

- 1) Contribute to expand our service offer in digital transformation
 - You will collaborate to new digital solutions identification for each sector
 - You will help prepare use cases with a focus on added value for our client
 - You will contribute to partnership identification to expand our digital eco-system
- 2) Be an active team member on a result-oriented project:
 - ✓ **In diagnosis phase:**
 - you will support global operational excellence diagnosis activities and will identify opportunities including 4.0 solutions
 - for dedicated digital diagnosis, you will contribute to digital roadmap design

- ✓ **In project phase**, integrated into a project team at the client, you will:
 - support our customers in improving their operations with a focus on digital solutions that can bring direct results over their global value chain
 - facilitate the implementation of the company's (digital or not) strategy
 - analyze key processes and propose solutions for improvement and digitalization
 - implement proposed solutions and support operational teams towards change attitudes
 - become partner of both senior and operational management to build long term relationship

Your profile

We are mainly looking for talents with a master degree from business schools, engineering or universities with 5 to 8 years of solid experience in operational excellence program with digital transformation focus (as a consultant or as a practitioner) with the following requirements;

- Sound and hand's on knowledge of digital solutions and business process
- High motivation and flexibility, with the ability to adapt and to work autonomously
- Rigor, integrity, creativity, team spirit and analytical skills are essential assets to succeed
- Excellent communication skills (speaking, writing, listening)
- Ability to challenge conventional thought, and come up with innovative solutions (4.0 solutions)
- Excellent leadership (direct or indirect) and interpersonal skills
- Fluent in French (our corporate language) and English. German or Dutch is an asset
- You are willing to travel to the customer workplace

We offer

- Very diverse and rewarding experiences
- Coaching by experienced experts.
- Genuine career opportunities within a growing company.
- Attractive salary package (company car, ...), evolving quickly according to your personal success

At **Resultance**, consultants build expertise quickly and become recognised by top managers.
